

MCAT2015 Summer Immersion

Boston, MA, June 26 –August 8, 2015

Tuition: \$9499 – (room and board available for an additional cost)

Room and board: \$4,200

Boston is a city full of culture, charm and, most importantly, education! With lively downtown hotspots, fabulous bars and restaurants, countless historic landmarks and major universities at every corner, Boston offers diverse attractions that could entertain you all summer long. Of course, as an MCAT2015 Summer Immersion student, you just won't have time for all that this city has to offer.

For six weeks, you'll be immersed in the most intensive MCAT2015 preparation available. That's right! In just 6 weeks, some of the best MCAT2015 instructors in the country will provide up to 481 hours of custom-designed MCAT2015 instruction. And where is a better place to spend your time than in the higher education hub of the country?

Six weeks of MCAT Summer Immersion

- Classes are held by our renowned instructors from 8am to 10pm, with breaks for lunch and dinner.
- MCAT2015 Summer Immersion Boston consists of over 100 interactive lectures followed by office hours, which focus on group-work and reinforce recent core lessons. In addition, students get teacher-supervised study halls and independent study

Course Features

- Science content lectures (biology, physics, G-chem, O-chem) with Boston's finest instructors, who are experts in their field of study
- CARS prep sessions
- Access to **amplifire**, our revolutionary new technology that leverages key findings from Nobel Prize–winning brain research to produce extraordinarily high knowledge-retention rates so you can learn more efficiently.
- 5 proctored full-length practice tests (6 total online) and 5 test review sessions
- Individual attention, teacher-supervised study halls and independent study

Scheduled Workshops:

Attend scheduled workshops and seminars to better prepare yourself and learn valuable techniques and skills for applying to medical school!

Extra Perks:

Orientation dinner to meet your Princeton Review staff, instructors and fellow Summer Immersion students
